

High School Ministry
High School Senior Trip FAQ

Calvary high school seniors are headed to Boone County, KY. for a memorable weekend to celebrate their graduation! Pastor Cameron will lead the trip, which includes visits to the Creation Museum and the Ark Encounter.

When?

Thursday, August 8 – Saturday, August 10

Generally, senior trips are scheduled near the end of the seniors' last semester of high school. However, with graduation dates, parties, family gatherings, and an increased overall number of events during the summer after graduation, adding the Senior Trip during this time does not work. Having an earlier trip will also allow the students to build and strengthen their relationships with other seniors and pastor Cameron before the beginning of the school year instead of at the end.

Cost

Total Cost: \$200

Suggested spending money: \$80-100
