

Children's Ministry

You can make a big difference!

Our goal is to help children feel welcome and loved each Sunday at Calvary as we teach the Word of God. If you have a heart for sharing Christ with children, there are many ways to serve:

Teachers | Teachers serve two Sundays per month with the same small group of children. They are responsible for teaching the lesson, facilitating prayer requests for the group, and taking attendance. Teachers are provided detailed lesson plans each week which include activities designed to engage all types of learners. All the activities are prepared for you, so you can focus on sharing His Truth with your students. Teachers must be members of Calvary Church.

Assistants | Assistants serve alongside a teacher and serve the same small group of children on a consistent basis. Assistants must be regular attendees of Calvary Church.

Leaders / Volunteers | Each Sunday, we have large group programs. These programs allow lessons to be taught in interactive formats. Leaders help children engage in these programs. In Preschool and Nursery they lead children to and from the CLC gym during the 11:15 AM session. These volunteers need to be regular attendees of Calvary Church.

Partners | Partners greet children at the classroom door or hallway entrance and help first-time visitors know they are welcome! They facilitate drop-off and pick-up times and make sure teachers have what they need. Partners give our Ministry Coordinators opportunities to attend worship services and/or ALGs.

All volunteers over age 18 must have an approved Background Check on file with Calvary Children's Ministry.
