

# The King's Brass

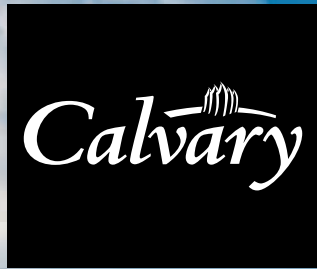

TIM ZIMMERMAN AND THE KING'S BRASS WILL LEAD US in worship this morning. You'll be inspired by their hymn classics presented with a contemporary flair!

The King's Brass is comprised of musicians from across the country who use the instruments they love to lead worship. The group features three trumpets, three trombones, a tuba, percussion, and keyboards, blending to create innovative worship music that appeals to all generations. We are thrilled to welcome the group back to Calvary today!

CDs are available in the Galleria after the service, including their newest recording, HOPE. This CD features music played on rich flugelhorn and low brass, with special guests *Men of The Chapel* and *Aire Born Strings*.

## From the Senior Pastor Reaching out beyond ourselves

One of our themes for 2018 is "Reaching Out Beyond Ourselves." Calvary Church does not exist for the comfort of its members but for the glory of God. Undoubtedly, God is glorified when we reach out beyond ourselves with the love and truth of our Lord Jesus.

We praise God for the hundreds of children and students who are part of the Calvary family, but we are seeking to reach more and more who may never go to any place of worship. **Will you pray for the following?**
