

Calvary Student Ministry

COVID-19 Protocols for High School REGROUP

Face Coverings, Social Distancing, and Hand Sanitizer

- All students and leaders are required to wear a face mask or face shield while attending student ministry gatherings. Pastor Eric will let you know when / if it is okay to remove your mask.
- Students will be seated six feet apart during the service and in their small groups.
- Hand Sanitizer stations are set up around the Calvary Life Center to provide access, quickly and frequently.

Check-In

- Upon entering the CLC, students must **check in with a Student Ministry Volunteer**. As students arrive, they should tell the leader at check-in their name and grade.
- Guests will need to complete a "Guest Card" with their personal information. A leader will be assigned to fill out the card while asking the student/parent for the correct information.

Temperature Checks

- Before entering the building, we will be taking temperatures of each student/leader/parent to ensure that no one has a fever. If a temperature check reads 100.4 or higher, we will wait 5 minutes and re-check. If it is the same or higher, that individual will not be permitted to enter the facilities.

Bathrooms

- Bathrooms will have signage to allow a maximum of 3 people at one time.
- Water fountains are closed.

Dismissal / Pick-Up

- **Our service ends promptly at 8:00 PM.** Here are our pick-up options:
- **Text-To-Go:** When you are ready for your student to come to your car, send them a text. They will confirm with their leader or staff and then head to your vehicle.
- **Grab and Go:** If your student doesn't have a way for you to let them know you are outside, just walk into our check-in area and tell us your student's name and grade, and we will bring them to you. Please wear a mask/shield when you are entering the building.
